This Securities Note should be read together with the registration document dated 6 May 2021 (as supplemented through a first supplemental registration document dated 18 August 2021 and a second supplemental registration document dated 21 April 2022, the “**Registration Document**”) and the summary dated 21 April 2022 (the “**Summary**”), each prepared and issued by the Company, which together with this Securities Note constitute a prospectus (the “**Prospectus**”).

This Securities Note has been approved by the Financial Supervisory Authority of Norway (Norwegian: *Finanstilsynet*) (the “**Norwegian FSA**”), as competent authority under Regulation (EU) 2017/1129. The Norwegian FSA only approves this Securities Note as meeting the standards of completeness, comprehensibility and consistency imposed by Regulation (EU) 2017/1129. Such approval should not be considered as an endorsement of the Issuer that is the subject of this Securities Note. The Prospectus has been prepared in order to provide information about the Issuer and its business in relation to the Listing and to comply with the Norwegian Securities Trading Act of 29 June 2007 no. 75 (as amended from time to time, the “**Norwegian Securities Trading Act**”) and related secondary legislation, including simplified disclosure regime for secondary issuances, cf. Article 14 of Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, as amended, and as implemented in Norway in accordance with Section 7-1 of the Norwegian Securities Trading Act (the “**EU Prospectus Regulation**”).

In accordance with Article 23 of the EU Prospectus Regulation, significant new factors, material mistakes or material inaccuracies relating to the information included in the Prospectus, which may affect the assessment by investors in the Bonds which arises or is noted in the time between the time of approval of the Prospectus by the Norwegian FSA and the Listing of the Bonds on the Oslo Stock Exchange, will be included in a supplement to the Prospectus without undue delay. Neither the publication nor distribution of the Prospectus shall under any circumstances imply that there has been no change in the Group’s affairs or that the information herein is correct as at any date subsequent to the date of the Prospectus.

The Company has furnished the information in this Securities Note. Factors which are material for the purpose of assessing the market risks associated with Bonds

The Bonds may not be a suitable investment for all investors. Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds and the information contained or incorporated by reference in this Securities Note and/or the Registration Document or any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bonds and the impact the Bonds will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds, including where the currency for principal or interest payments is different from the potential investor's currency;
- (d) understand thoroughly the terms of the Bonds and be familiar with the behaviour of the financial markets; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

The distribution of this Securities Note in certain jurisdictions may be restricted by law. The Company require persons in possession of this Securities Note to inform themselves about and to observe any such restrictions. This Securities Note does not constitute an offer of, or an invitation to purchase, any of the Bonds described herein and no Bonds are being offered or sold pursuant to this Securities Note in any jurisdiction.

The Bonds are subject to restrictions on transferability and resale and may not be transferred or resold except as permitted under applicable securities laws and regulations. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

This Securities Note shall be governed by and construed in accordance with Norwegian law. The courts of Norway, with Oslo as legal venue, shall have exclusive jurisdiction to settle any dispute which may arise out of or in connection with this Securities Note.

NOTICE TO INVESTORS IN THE UNITED STATES

THE BONDS HAVE NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OR THE SECURITIES LAWS OF ANY U.S. STATE OR OTHER JURISDICTION. THE COMPANY DOES NOT PLAN TO REGISTER THE ISSUANCE OR RESALE OF THE BONDS UNDER THE U.S. SECURITIES ACT. THE BONDS MAY NOT BE RE-OFFERED, SOLD, ASSIGNED, TRANSFERRED, PLEDGED OR OTHERWISE DISPOSED OF EXCEPT (A) UNDER A REGISTRATION STATEMENT THAT HAS BEEN DECLARED EFFECTIVE UNDER THE U.S. SECURITIES ACT; (B) OUTSIDE THE UNITED STATES IN ACCORDANCE WITH RULE 903 OR RULE 904 OF REGULATION S UNDER THE U.S. SECURITIES ACT, AS APPLICABLE OR (C) PURSUANT TO ANOTHER APPLICABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE U.S. SECURITIES ACT; IN EACH CASE IN ACCORDANCE WITH ALL APPLICABLE U.S. STATE SECURITIES LAWS AND THE SECURITIES LAWS OF OTHER JURISDICTIONS, AND IN THE CASE OF A TRANSACTION EXEMPT FROM REGISTRATION, ONLY IF THE COMPANY HAS RECEIVED DOCUMENTATION SATISFACTORY TO IT THAT SUCH TRANSACTION DOES NOT REQUIRE REGISTRATION UNDER THE U.S. SECURITIES ACT.

NOTICE TO UNITED KINGDOM INVESTORS

This communication is only being distributed to and is only directed at (i) persons who are outside the United Kingdom (the "UK") or (ii) persons in the UK who are qualified investors as defined in the Prospectus Directive that are also: (a) investment professionals falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (the "Order"); or (b) high net worth companies or other persons falling within Article 49(2)(a) to (d) of the Order; or (c) otherwise persons to whom it may lawfully be directed (all such persons together being referred to as "relevant persons").

ENFORCEMENT OF CIVIL LIABILITIES

The members of the Company's board of directors (the "Board Members" and the "Board of Directors", respectively) and the members of the Group's senior management (the "Management") are not residents of the United States. Virtually all of the Company's assets are located outside the United States. As a result, it may be impossible or difficult for investors in the United States to effect service of process on the Company, the Board Members and members of Management in the United States or to enforce judgments obtained in US courts against the Company or those persons, whether predicated upon civil liability provisions of federal securities laws or other laws of the United States (including any State or territory within the United States).

The United States and Norway do not currently have a treaty providing for reciprocal recognition and enforcement of judgements (other than arbitral awards) in civil and commercial matters. Uncertainty exists as to whether courts in Norway will enforce judgments obtained in other jurisdictions, including the United States, against the Company or its Board Members or members of Management under the securities laws of those jurisdictions or entertain actions in Norway against the Company or its Board Members or members of Management under the securities laws of other jurisdictions. In addition, awards of punitive damages in actions brought in the United States or elsewhere may not be enforceable in Norway.

Similar restrictions may apply in other jurisdictions.

This Securities Note is not an offer to sell or a request to buy Bonds or any other securities of the Group. The content of this Securities Note does not constitute legal, financial or tax advice and potential investors in any securities issued by the Company should seek legal, financial and/or tax advice.

1. RISK FACTORS

Investing in Bonds issued by Norwegian involves a particular high degree of risks. Prospective investors should consider, among other things, the risk factors set out in the Prospectus, before making an investment decision. The risks and uncertainties described in the Securities Note are risks of which the Issuer is aware and that the Issuer considers to be material to its business. If any of these risks were to occur, the Issuer's business, financial position, operating results or cash flows could be materially adversely affected, which may adversely affect the value of the Bonds as well as the Issuer's ability to perform its obligations under the Bonds and/or cause investors in the Bonds or the to lose all or part of invested capital.

In each category below, the Issuer sets out the most material risk, in the Issuer's assessment, taking into the negative impact of such risk on the Issuer and the Bonds and the probability of its occurrence. Please refer to the Registration Document for a listing of Issuer specific risk factors.

For the definitions of capitalised terms used throughout this Securities Note, see section 7 "Definitions".

1.1 General risk related to the Bonds

Risks related to COVID-19 impact on the Issuer

COVID-19 has had, and may continue to have, a significant impact on the Issuer's financial condition and operations, which impacts the Issuer's ability to obtain acceptable financing to fund resulting reductions in cash from operations. The current, and uncertain future, impact of the COVID-19 outbreak, including its effect on the ability or desire of people to travel (including by air), is expected to continue to materially adversely impact the Issuer's results, operations, outlooks, plans, goals, growth, reputation, cash flows, liquidity, and company value. The Issuer's ability to return to normal operations is dependent upon, among other things, COVID-19, the developments on travel restrictions and the demand for the Issuer's services. The COVID-19 situation is continuously changing and new laws and regulations that affect the Issuer's operations may enter into force. No assurance can be given regarding if and when the Group may return to normalized operations, and the Group expects that any future business will be materially more limited and different as per pre-COVID-19.

Dependency on subsidiaries, associates and joint ventures

The Company's ability to pay any amounts due on the Bonds is, to a significant extent, dependent on the financial performance of its operating subsidiaries, associates and joint ventures holding the majority of the Group's operational assets, including licenses and AOC required to operate its business, and accordingly where the majority of the Group's cash flow is generated and will accordingly depend upon the level of distributions, interest payments and loan repayments, if any, received from such operating subsidiaries, associated undertakings and joint ventures, any amounts received on disposals of assets and equity holdings and the level of cash balances. Certain of the Group's operating subsidiaries, associated undertakings and joint ventures are and may, from time to time, be subject to restrictions on their ability to make distributions and loans including as a result of restrictive covenants in loan agreements, foreign exchange and other regulatory restrictions and agreements with the other shareholders of such subsidiaries or associated undertakings. Such restrictions may accordingly have a material adverse effect on the Company's financial position and consequently its ability to pay amounts due on the Bonds.

Risks related to amendments of the Bonds Terms and remedies afforded to the bondholders

The bond trustee for the Bonds (the "Bond Trustee") may agree, without the consent of the bondholders, to certain modifications to the Bond Terms and other related bond finance documents. Pursuant to the bond terms for each of the Bonds, remedies afforded to the bondholders are vested with the Bond Trustee, thus preventing individual bondholders from taking separate action. The Bond Trustee will be required to act in accordance with instruction given by a relevant majority of bondholders, but is also vested with discretionary powers. The bondholders face a risk that the Bond Trustee will agree to changes or amendments, or take actions, without the explicit consent of each of the bondholders.

The value of the Bonds is volatile

The market value of the Bonds could be subject to significant fluctuations in response to actual or anticipated variations in the Group's operating results and those of their competitors, adverse business developments, changes to the regulatory environment in which the Group operates, changes in financial estimates by securities analysts and the actual or expected sale of a large number of Bonds, as well as other factors. In addition, in recent years, the global financial markets have experienced significant price and volume fluctuations, which, if repeated in the future, could adversely affect the market value of the Bonds without regard to the Issuer's operating results, financial condition or prospects. Furthermore, as a result of the COVID-19 pandemic, it is highly uncertain if and when the Group may return to normalized operations. Such uncertainty and any deviations from market anticipations, together with the significant changes made to the Group's operations as a result of the Restructuring, may cause high volatility in the attractiveness and accordingly the pricing of the Bonds, in particular, being securities issued by the Company and accordingly expected to be linked directly to the Company's operational progress and results. As the Bonds are, the value may fluctuate significantly as a response to such uncertainty and the Company's periodical reporting on traffic figures, operational progress and financial results.

1.2 Risks related to the New Capital Perpetual PIK Bonds

Risk related to the lack of voting rights

The New Capital Perpetual PIK Bonds was issued under and in accordance with the agreement governing certain New Capital Perpetual Bonds issued on 26 May 2021 (the "**Original Issue Date**") (the "**New Capital Perpetual Bond Terms**"), under which the Company may choose to pay interest as payment-in-kind by issuing additional bonds. The New Capital Perpetual PIK Bonds was issued as payment-in-kind on 1 December 2021 (the "**Issue Date**"), and are subject to the New Capital Perpetual Bond Terms, however such that any holder of New Capital Perpetual PIK Bonds does not have any voting rights. Accordingly, holders of New Capital Perpetual PIK Bonds will not have the ability to vote on any proposed resolutions and will be subject to the decisions made by holders of New Capital Perpetual Bonds in any Bondholder Meeting.

Risks related to the New Capital Perpetual PIK Bonds being perpetual

The New Capital Perpetual PIK Bonds are perpetual with no fixed maturity date. The New Capital Perpetual PIK Bonds are only redeemable at the option of the Issuer in certain limited circumstances, or at the option of each bondholder by exercising its right to convert such New Capital Perpetual PIK Bonds into Shares (whereupon the resulting conversion Shares delivered to such bondholder shall represent consideration for such redemption and no cash payment will be made). Furthermore, there are no enforceable events of default under the Bond Terms. Bondholders will therefore be unable to accelerate the maturity date of the New Capital Perpetual PIK Bonds, or take other actions against the Issuer to preserve their investments, even if the financial condition of the Issuer materially deteriorates.

The New Capital Perpetual PIK Bonds are only subject to forced repayment in case of final liquidation or final winding-up of the Issuer. The New Capital Perpetual PIK Bonds constitute direct, unsecured and deeply subordinated obligations of the Issuer. All claims in respect of the New Capital Perpetual PIK Bonds will rank as described in the New Capital Perpetual Bond Terms, and shall rank *pari passu* between themselves and any obligation that ranks or is expressed to rank *pari passu* with the New Capital Perpetual PIK Bonds ("**Parity Obligations**"). The New Capital Perpetual PIK Bonds rank ahead of payments to holders of all classes of share capital of the Issuer in their capacity as such holders and any other obligation of the Issuer expressed by its terms to rank, or which pursuant to Norwegian law will rank, junior to the New Capital Perpetual PIK Bonds and the Parity Obligations. The New Capital Perpetual PIK Bonds shall rank junior in right of payment to any present or future claims of all unsubordinated creditors of the Issuer, and to all subordinated creditors of the Issuer whose rights are expressed to rank senior to the New Capital Perpetual PIK Bonds and the Parity Obligations.

The bondholders may lose their investment in the New Capital Perpetual PIK Bonds entirely or partly if the Issuer's assets upon final liquidation of the Issuer are insufficient to cover the claims of more senior-ranking

creditors and/or Parity Obligations in full, or as a consequence of the ongoing examinership and reconstruction processes, pursuant to which debt claims of the company may be subject to, *inter alia*, cram-down and/or conversion to equity or equity-like instruments. Furthermore, the amount of any claim derived from the outstanding New Capital Perpetual PIK Bonds due for payment upon final liquidation shall be calculated as if all outstanding New Capital Perpetual PIK Bonds had been converted into Shares on the date of such final liquidation, at the conversion price in effect at such time plus the amount of any accrued but unpaid interest (the “**Claim**”). To the extent the nominal amount of the outstanding New Capital Perpetual PIK Bonds as of such date exceeds the amount of the Claim, no other payment or settlement in any form shall be made in lieu of such excess, and the bondholders shall have no further rights to or in respect of such excess.

Interest payments, New Capital Perpetual PIK Bonds

The New Capital Perpetual PIK Bonds accrue interest at the percentage rate per annum which is the aggregate of 6-month NIBOR plus a step-up margin. The Issuer may, at any time and in its sole discretion, decide that the interest which is otherwise scheduled to be paid shall be capitalised and paid by issuing new bonds on the applicable interest payment date (“**PIK Bonds**”). Accordingly, there is no obligation on the Issuer to pay out interest in cash.

As set out above, the New Capital Perpetual PIK Bonds are redeemable only in certain limited circumstances, subject to that any bondholder may elect to convert its New Capital Perpetual PIK Bonds into Shares on 10 business days’ notice - as such, an investment in the New Capital Perpetual PIK Bonds will bear many similarities with an investment in the Shares.

In the event that the conversion rights under the New Capital Perpetual PIK Bonds expire prior to being extended by a general meeting of the Issuer each outstanding Bond shall accrue interest at a rate of 20 percentage points per annum. This mechanism seeks to address that Norwegian law does not permit the issuance of convertible instruments with conversion periods of longer than five years from issuance. The foregoing is an incentive to the Issuer and its shareholders to ensure that conversion rights are extended prior to expiry. As of the date of this Securities Note, the scheduled date of expiry of conversion rights is 24 May 2026, subject to any intervening extension of such date by the general meeting of the Issuer.

Risks related to the market for the New Capital Perpetual PIK Bonds

There are currently only a limited number of holders of New Capital Perpetual PIK Bonds. There is no existing market for the New Capital Perpetual PIK Bonds and there can be no assurance given regarding the future development of a trading market for the New Capital Perpetual PIK Bonds. There is a risk that the value of the New Capital Perpetual PIK Bonds may decrease due to the changes in the Group, its financial position as well as relevant market risk factors. Furthermore, the price of a single bond issue will, generally, fluctuate due to general developments in the financial markets, as well as, specifically, investor interest in (and, thus, the liquidity of) the New Capital Perpetual PIK Bonds and the passenger traffic market in which the Group is engaged. Accordingly, there is a risk that the value of the New Capital Perpetual PIK Bonds may decrease in spite of an underlying positive development in the Issuer’s business activities.

No market-maker agreement is entered into in relation to the issue of the New Capital Perpetual PIK Bonds, and the liquidity of the New Capital Perpetual PIK Bonds will at all times depend on the market participants view of the value of the Shares. Potential investors should note that it may be difficult or even impossible to trade and sell the New Capital Perpetual PIK Bonds in the secondary market.

Risks related to individual bondholder lack of right to have its New Capital Perpetual PIK Bonds redeemed in case of any change of control or change of ownership in the Issuer

The bond terms for the New Capital Perpetual PIK Bonds does not include a right for the bondholders to demand repayment in the event of a change of control in the Issuer, but the bondholders are entitled to exercise its conversion rights if a change of control occurs on or after the date which is six (6) months following the Original Issue Date, provided that such conversion right is exercised during the period commencing on the date on which

the change of control occurs and ending on the earlier of (i) 60 calendar days following such date or, if later, 60 calendar days following the notification of a change of control event and (ii) the conversion right expiry date.

A change of control or change of ownership in the Issuer could lead to a new owner incorporating a change in strategy, management, risk or business model which may negatively affect the Issuer's ability to redeem the New Capital Perpetual PIK Bonds. In addition, certain of the Issuer's contractual and financial arrangements may be subject to change of control or change of ownership provisions, which may cause termination or amended terms and which in turn may have a material adverse effect on the Issuer's business, financial position, results of operations, future prospects, or its ability to redeem the New Capital Perpetual PIK Bonds.

Risk related to tax classification of the New Capital Perpetual PIK Bonds

For Norwegian tax purposes, the New Capital Perpetual PIK Bonds will be regarded as a "hybrid instrument" on account of having characteristics of both debt and equity. The tax treatment of the New Capital Perpetual PIK Bonds for both the Issuer and bondholders will under the current Norwegian tax legislation as such depend on an overall assessment of whether the New Capital Perpetual PIK Bonds have more in common with debt or equity. Should Norwegian tax authorities take the stance that the New Capital Perpetual PIK Bonds shall be treated as equity for Norwegian tax purposes, this will entail that interest payments will not be deductible for the Issuer, and interest received by bondholders will be regarded as return on equity for Norwegian tax purposes.

Risk related to the commencement of the conversion period

Subject to certain limited exemptions (such as a change of control as described above) the New Capital Perpetual PIK Bonds may only be converted on the date falling on the second anniversary of the Original Issue Date. Accordingly, the New Capital Perpetual PIK Bonds may not be converted until 26 May 2023. Should a significant number of New Capital Perpetual Bonds and New Capital Perpetual PIK Bonds be converted on or about the same time, such new Shares may be issued to creditors of the Company that may not have a long-term ownership horizon and may have an intention to sell the new Shares they receive. Sale of a substantial number of the new Shares, or the expectation of such sale, may have a material negative effect on the trading price of the Company's Shares - or even the ability for shareholders to sell their shares at attractive terms, in a timely fashion or at all.

1.3 Risk related to the Retained Claims Bonds

Risk related to the status of the Retained Claims Bonds

The Retained Claims Bonds constitute senior unsecured debt obligations of the Issuer and will rank equal in right of payment with all other obligations of the Issuer (except as to claims preferred by operation of law). The Retained Claims Bonds will be effectively subordinated to all of the Issuer's existing and future secured indebtedness to the extent of the assets securing such indebtedness. If the Issuer is involved in any bankruptcy, dissolution, liquidation or reorganization, the secured debt holders would, to the extent of the value of the assets securing the secured debt, be paid before the holders of the Bonds. In that event, a holder of Bonds may not be able to recover any principal or interest due to it under the Bonds.

The Issuer may not be able to redeem the Retained Claims Bonds at the time of a change of control event

Upon the occurrence of a change of control event, each individual bondholder has a right of prepayment of the Bonds at a price which is equal to the present value of the nominal amount, using a discount rate of 6% p.a. with semi-annual compounding periods. However, it is possible that the Group will have insufficient funds at the time of the change of control event to make the required redemption of Bonds. The Group's failure to redeem tendered Bonds would constitute an event of default under the terms of the Bonds. No assurance can be given that the Issuer will be able to redeem the Bonds in such situation. A payment default by the Issuer on a debt instrument may have a material adverse effect on the Group's business, results of operation and financial conditions.

5. TAXATION

5.1 Introduction

Set out below is a summary of certain Norwegian tax matters related to an investment in the Company. The summary regarding Norwegian taxation is based on Norwegian laws, rules, and regulations in force in Norway as at the date of this Securities Note, which may be subject to any changes in law occurring after such date. Such changes could possibly be made on a retrospective basis. The summary does not address foreign tax laws.

The following summary is of a general nature and does not purport to be a comprehensive description of all Norwegian tax considerations that may be relevant for a decision to acquire, own or dispose of the Bonds. Investors who wish to clarify their own tax situation should consult with and rely upon their own tax advisers, as the tax legislation in Norway and, if different, in the jurisdiction in which the investor is resident for tax purposes may have an impact on the income received from the Bonds. Investors resident in jurisdictions other than Norway who cease to be resident in Norway for tax purposes (due to domestic tax law or tax treaty) should specifically consult with and rely upon their own tax advisers with respect to the tax position in their country of residence and the tax consequences related to ceasing to be resident in Norway for tax purposes.

Please note that for the purpose of the summary below, a reference to a Norwegian or Non-Norwegian bondholder refers to the tax residency rather than the nationality of the investor.

5.2 Taxation of the New Capital Perpetual PIK Bonds

5.2.1 Introduction

The below description is based on the assumption that the New Capital Perpetual PIK Bonds are classified as a debt instrument for Norwegian tax purposes, and further as multiple debt instruments (*Nw. Mengdegjeldsbrev*). However, as described above in section 1 "Risk related to tax classification of the New Capital Perpetual PIK Bonds", there is a risk that the Norwegian tax authorities may classify the New Capital Perpetual PIK Bonds as equity for Norwegian tax purposes, which in case may impact the tax treatment for the holders of New Capital Perpetual PIK Bonds.

Further, tax legislation of the investor's Member State and Norwegian tax legislation may have an impact on any income received from the New Capital Perpetual PIK Bonds.

5.2.2 Joint taxation of warrant and debt element

For convertible bonds where the holder is given a right to subscribe for shares by way of setting off the bond element against the obligation to pay the subscription amount (conversion), the full instrument (i.e. including the warrant element) shall be taxed according to the rules applicable to debt instruments.

5.2.3 Norwegian Bondholders

Taxation of return on convertible bonds prior to disposal

Any kind of return received on convertible bonds prior to disposal is taxable as "ordinary income" subject to the flat rate of 22% (25% for financial institutions). Return on convertible bonds is taxed on an accruals basis (i.e. regardless of when the return is actually paid).

Taxation upon disposal or redemption of convertible bonds

Conversion or redemption of convertible bonds is treated as realization and may result in a capital gain or loss. Capital gains will be taxable as "ordinary income", subject to the flat rate of 22% (25% for financial institutions). Losses will normally be deductible in the bondholder's "ordinary income".

Any capital gain or loss is computed as the difference between the amount received by the bondholder on realization (market value of received shares in case of a conversion) and the cost price of the bonds. The cost price is equal to the price for which the bondholder acquired the bonds. Costs incurred in connection with the acquisition and realization of bonds may be deducted from the bondholder's taxable income in the year of the realization.

Net wealth taxation

The value of bonds at the end of each income year will be included in the computation of a bondholder's taxable net wealth for municipal and state net wealth tax purposes. Listed bonds are valued at their quoted value on 1 January in the assessment year. The marginal tax rate is currently 0.95% for net worth above a minimum threshold of NOK 1,700,000, and 1.1% for net worth above a minimum threshold of NOK 20,000,000.

Limited liability companies and similar entities are not subject to net wealth taxation.

5.2.4 Foreign Bondholders

Norwegian withholding tax

Payments on bonds to foreign bondholders will as a main rule not be subject to Norwegian withholding tax.

Effective from 1 July 2021, Norway levy withholding tax on interest payments from a Norwegian company to (i) a related party (50% or more joint ownership) (ii) which is tax resident in a low-tax jurisdiction (effective taxation lower than 2/3 of Norwegian effective taxation). The domestic withholding tax rate for interest payments is 15%, but may be reduced under an applicable tax treaty. The obligation to pay withholding tax will in any case not apply if interest is paid to a related party which is genuinely established and carries out genuine economic activity within the EEA.

Taxation of return and capital gain upon disposal or redemption

Return received or capital gain upon disposal or redemption of convertible bonds will not be subject to tax in Norway unless the foreign bondholder is holding the convertible bonds in connection with business activities carried out or managed from Norway. Such taxation may be limited according to an applicable tax treaty or other specific regulations.

Net wealth taxation

Foreign bondholders are not subject to Norwegian net wealth tax with respect to convertible bonds, unless the bondholder is an individual, and the bondholding is effectively connected with a business which the bondholder takes part in or carries out in Norway. Such taxation may be limited according to an applicable tax treaty.

5.2.5 Transfer taxes, etc. - VAT

There are currently no Norwegian transfer taxes, stamp duty or similar taxes connected to purchase, disposal or redemption of bonds. Furthermore, there is no VAT on transfer of bonds.

5.3 Taxation of the Retained Claims Bonds

5.3.1 Introduction

The below description is based on the assumption that the Retained Claims Bonds are classified as a debt instrument for Norwegian tax purposes, and further as multiple debt instruments (*Nw. Mengdegjeldsbrev*).

5.3.2 Norwegian Bondholders

Taxation of return on bonds prior to disposal

Any kind of return received on bonds prior to disposal is taxable as "ordinary income" subject to the flat rate of 22% (25% for financial institutions). Return on convertible bonds is taxed on an accruals basis (i.e. regardless of when the return is actually paid).

Taxation upon disposal or redemption of convertible bonds

Sale or redemption of bonds is treated as realization and may result in a capital gain or loss. Capital gains will be taxable as "ordinary income", subject to the flat rate of 22% (25% for financial institutions). Losses will normally be deductible in the bondholder's "ordinary income".

Any capital gain or loss is computed as the difference between the amount received by the bondholder on realization and the cost price of the bonds. The cost price is equal to the price for which the bondholder acquired the bonds. Costs incurred in connection with the acquisition and realization of bonds may be deducted from the bondholder's taxable income in the year of the realization.

Net wealth taxation

Listed bonds are valued at their quoted value on 1 January in the assessment year. The marginal tax rate is currently 0.95% for net worth above a minimum threshold of NOK 1,700,000, and 1.1% for net worth above a minimum threshold of NOK 20,000,000.

Limited liability companies and similar entities are not subject to net wealth taxation.

5.3.3 Foreign Bondholders

Such Shares, Temporary Shares or, as the case may be, Additional Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to the relevant Conversion Date or, as the case may be, the relevant Reference Date.

12.4 Purchase or Redemption of Shares

The Issuer or any Subsidiary of the Issuer may exercise such rights as they may from time to time enjoy to purchase or redeem or buy back any shares of the Issuer (including Shares) or any depositary or other receipts or certificates representing the same without the consent of the Bondholders.

12.5 No Duty to Monitor

Neither the Bond Trustee, the Calculation Agent nor any Paying and Conversion Agent shall be under any duty to monitor whether any event or circumstance has happened or exists or may happen or exist and which requires or may require an adjustment to be made to the Conversion Price or be responsible or liable to any person for any loss arising from any failure by any of them to do so, nor shall the Bond Trustee, the Calculation Agent, or any Paying and Conversion Agent be responsible or liable to any person (other than in the case of the Calculation Agent, to the Issuer strictly in accordance with the relevant provisions of the Calculation Agency Agreement) for any determination of whether or not an adjustment to

the Conversion Price is required or should be made nor as to the determination or calculation of any such adjustment.

13. ADJUSTMENT OF THE CONVERSION PRICE

13.1 Adjustments

Upon the occurrence of any of the events described below, the Conversion Price shall be adjusted by the Calculation Agent as follows:

(a) *Consolidation, reclassification, redesignation or subdivision*

If and whenever there shall be a consolidation, reclassification, redesignation or subdivision affecting the number of Shares in issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A}{B}$$

where:

- (i) **A** is the aggregate number of Shares in issue immediately before such consolidation, reclassification, redesignation or subdivision, as the case may be; and
- (ii) **B** is the aggregate number of Shares in issue immediately after, and as a result of, such consolidation, reclassification, redesignation or subdivision, as the case may be.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (a), the date on which the consolidation, reclassification, redesignation or subdivision, as the case may be, takes effect.

(b) *Capitalisation of profits or reserves*

If and whenever the Issuer shall issue any Shares credited as fully paid to Shareholders by way of capitalisation of profits or reserves, including any share premium account or capital redemption reserve (other than an issue of Shares constituting a cash Dividend pursuant to paragraph (a) of the definition of “Dividend”) the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A}{B}$$

where:

- (i) **A** is the aggregate number of Shares in issue immediately before such issue; and
- (ii) **B** is the aggregate number of Shares in issue immediately after such issue.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b), the date of issue of such Shares.

(c) *Dividends*

If and whenever the Issuer shall declare, announce, make or pay any Dividend to Shareholders, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

- (i) **A** is the Current Market Price of one Share on the Ex-Date in respect of such Dividend; and
- (ii) **B** is the portion of the Fair Market Value of the aggregate Dividend attributable to one Share, with such portion being determined by dividing the Fair Market Value of the aggregate Dividend by the number of Shares entitled to receive the relevant Dividend (or, in the case of a purchase, redemption or buy back of Shares or any depositary or other receipts or certificates representing Shares by or on behalf of the Issuer or any Subsidiary of the Issuer, by the number of Shares in issue immediately following such purchase, redemption or buy back, and treating as not being in issue any Shares, or any Shares represented by depositary or other receipts or certificates, purchased, redeemed or bought back).

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (c), the later of (i) the Ex-Date in respect of such Dividend and (ii) the first date upon which the Fair Market Value of the relevant Dividend is capable of being determined as provided herein.

For the purposes of the above, Fair Market Value shall (subject as provided in paragraph (a) of the definition of “Dividend” and in the definition of “Fair Market Value”) be determined as at the Ex-Date relating in respect of relevant Dividend.

(d) *Rights issues*

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall issue any Shares to Shareholders as a class by way of rights, or shall issue or grant to Shareholders as a class by way of rights, any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares, or any Securities which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, any Shares (or shall grant any such rights in respect of existing Securities so issued), in each case at a consideration receivable per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of

“C” and the proviso below) which is less than 95 per cent. of the Current Market Price per Share on the Ex-Date in respect of the relevant issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- (i) A is the number of Shares in issue on such Ex-Date;
- (ii) B is the number of Shares which the aggregate consideration (if any) receivable for the Shares issued by way of rights, or for the Securities issued by way of rights and upon exercise of rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, Shares, or for the options or warrants or other rights issued by way of rights and for the total number of Shares deliverable on the exercise thereof, would purchase at such Current Market Price per Share; and
- (iii) C is the number of Shares to be issued or, as the case may be, the maximum number of Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase or other rights of acquisition in respect thereof at the initial conversion, exchange, subscription, purchase or acquisition price or rate,

provided that if on such Ex-Date such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this paragraph (d), “C” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at such Ex-Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on such Ex-Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (d), the later of (i) the Ex-Date in respect of the relevant issue or grant and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (d).

(e) *Issue of Securities to Shareholders*

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall (other than in the circumstances the subject of paragraph (d) and other than where such issue is determined to constitute a cash Dividend pursuant to paragraph (a) of the definition “Dividend”), issue any Securities to Shareholders as a class by way of rights or grant to Shareholders as a class by way of rights any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Securities, the Conversion Price shall be adjusted by multiplying the

Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

- (i) A is the Current Market Price of one Share on the Ex-Date in respect of the relevant issue or grant; and
- (ii) B is the Fair Market Value on such Ex-Date of the portion of the rights attributable to one Share.

Such adjustment shall become effective on the Effective Date.

“Effective Date” means, in respect of this paragraph (e), the later of (i) the Ex-Date in respect of the relevant issue or grant and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (e).

(f) Issue of Shares at less than 95 per cent. of the Current Market Price

If and whenever the Issuer shall issue (otherwise than as mentioned in paragraph (d) above) wholly for cash or for no consideration any Shares (other than Shares issued on conversion of the Bonds or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, or rights to otherwise acquire, Shares and other than any issue of Shares constituting a cash Dividend pursuant to paragraph (a) of the definition of “Dividend”) or if and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall issue or grant (otherwise than as mentioned in paragraph (d) above) wholly for cash or for no consideration any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares (other than the Bonds), in each case at consideration receivable per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of “C” and the proviso below) which is less than 95 per cent. of the Current Market Price per Share on the date of first public announcement of the terms of such issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- (i) A is the number of Shares in issue immediately before the date of first public announcement of the terms of such issue of Shares or issue or grant of options, warrants or other rights as provided above;
- (ii) B is the number of Shares which the aggregate consideration (if any) receivable for the issue of such Shares or, as the case may be, for the Shares to be issued

or otherwise made available upon the exercise of any such options, warrants or rights, would purchase at such Current Market Price per Share; and

- (iii) **C** is the number of Shares to be issued pursuant to such issue of such Shares or, as the case may be, the maximum number of Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights;

provided that if on the date of first public announcement of the terms of such issue or grant (as used in this paragraph (f), the “**Specified Date**”) such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this paragraph (f), “**C**” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase, acquisition had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (f), the later of (i) the date of issue of such Shares or, as the case may be, the issue or grant of such options, warrants or rights and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (f).

(g) *Other issues*

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall (otherwise than as mentioned in paragraphs (d), (e) or (f) above) issue wholly for cash or for no consideration any Securities (other than where such issue of Securities is determined to constitute a cash Dividend pursuant to paragraph (a) of the definition of “Dividend”) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, purchase of, or rights to otherwise acquire, Shares (or shall grant any such rights in respect of existing Securities so issued) or Securities which by their terms might be reclassified or redesignated as Shares, in each case where the consideration per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of “**C**” and the proviso below) receivable upon conversion, exchange, subscription, purchase, acquisition, reclassification or redesignation is less than 95 per cent. of the Current Market Price per Share on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- (i) **A** is the number of Shares in issue immediately before the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant);
- (ii) **B** is the number of Shares which the aggregate consideration (if any) receivable for the Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to such Securities or, as the case may be, for the Shares to be issued or to arise from any such reclassification or redesignation would purchase at such Current Market Price per Share; and
- (iii) **C** is the maximum number of Shares to be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such right of subscription, purchase or acquisition attached thereto at the initial conversion, exchange, subscription, purchase or acquisition price or rate or, as the case may be, the maximum number of Shares which may be issued or arise from any such reclassification or redesignation,

provided that if on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant) (as used in this paragraph (g), the “**Specified Date**”) such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or, as the case may be, such Securities are reclassified or redesignated or at such other time as may be provided), then for the purposes of this paragraph (g), “**C**” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition, reclassification or, as the case may be, redesignation had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (g), the later of (i) the date of issue of such Securities or, as the case may be, the grant of such rights and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (g).

(h) *Modification of rights*

If and whenever there shall be any modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to any Securities (other than the Bonds) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, any Shares (other than in accordance with the terms (including terms as to adjustment) applicable to such Securities upon issue) so that following such modification the consideration per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of “**C**” and the proviso below) receivable upon conversion, exchange, subscription, purchase or acquisition has been reduced and is less than 95 per cent. of the Current Market Price per Share on the date of first public announcement of the terms for such modification, the Conversion Price shall be adjusted by multiplying the

Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- (i) **A** is the number of Shares in issue immediately before the date of first public announcement of the terms for such modification;
- (ii) **B** is the number of Shares which the aggregate consideration (if any) receivable for the Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to the Securities so modified would purchase at such Current Market Price per Share or, if lower, the existing conversion, exchange, subscription, purchase or acquisition price or rate of such Securities; and
- (iii) **C** is the maximum number of Shares which may be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such rights of subscription, purchase or acquisition attached thereto at the modified conversion, exchange, subscription, purchase or acquisition price or rate but giving credit in such manner as the Calculation Agent shall consider appropriate for any previous adjustment under this paragraph (h) or paragraph (g) above;

provided that if on the date of first public announcement of the terms of such modification (as used in this paragraph (h), the “**Specified Date**”) such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or at such other time as may be provided), then for the purposes of this paragraph (h), “**C**” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (h), the later of (i) the date of modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to such Securities and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (h).

(i) *Certain arrangements*

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall offer any Shares or Securities in connection with which Shareholders as a class are entitled to participate in arrangements whereby such Shares or Securities may be acquired by them (except where the Conversion Price falls

to be adjusted under paragraphs (b), (c), (d), (e), (f) or (g) above or (j) below (or, where applicable, would fall to be so adjusted if the relevant issue or grant was at less than 95 per cent. of the Current Market Price per Share on the relevant day)), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

- (i) A is the Current Market Price of one Share on the Ex-Date in respect of the relevant offer; and
- (ii) B is the Fair Market Value on such Ex-Date of the portion of the relevant offer attributable to one Share.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (i), the later of (i) the Ex-Date in respect of the relevant offer and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (i).

(j) *Other adjustments*

If the Issuer (following consultation with the Calculation Agent) determines that an adjustment should be made to the Conversion Price (or that a determination should be made as to whether an adjustment should be made) as a result of one or more circumstances not referred to above in this Clause 13.1 (even if the relevant circumstance is specifically excluded from the operation of paragraphs (a) to (i) above), the Issuer shall, at its own expense and acting reasonably, request an Independent Adviser to determine, in consultation with the Calculation Agent, if different, as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof and the date on which such adjustment (if any) should take effect and upon such determination such adjustment (if any) shall be made and shall take effect in accordance with such determination, provided that an adjustment shall only be made pursuant to this paragraph (j) if such Independent Adviser is so requested to make such a determination not more than 21 days after the date on which the relevant circumstance arises and if the adjustment would result in a reduction to the Conversion Price.

(k) *Modifications*

Notwithstanding the foregoing provisions:

- (i) where the events or circumstances giving rise to any adjustment pursuant to this Clause 13.1 have already resulted or will result in an adjustment to the Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of any other events or circumstances which have already given or will give rise to an adjustment to the Conversion Price or where more than one event which gives rise to an adjustment to the Conversion Price occurs within such a short period of time that in the opinion of the Issuer,

following consultation with the Calculation Agent, a modification to the operation of the adjustment provisions is required to give the intended result, such modification shall be made to the operation of the adjustment provisions as may be determined in good faith by an Independent Adviser to be in its opinion appropriate to give the intended result;

- (ii) such modification shall be made to the operation of these Bond Terms as may be determined in good faith by an Independent Adviser, in consultation with the Calculation Agent (if different), to be in its opinion appropriate (i) to ensure that an adjustment to the Conversion Price or the economic effect thereof shall not be taken into account more than once and (ii) to ensure that the economic effect of a Dividend is not taken into account more than once; and
- (iii) other than pursuant to paragraph (a) above, no adjustment shall be made that would result in an increase to the Conversion Price.

13.2 Calculation of consideration

For the purpose of any calculation of the consideration receivable or price pursuant to paragraph (d), (f), (g) and (h) of Clause 13.1 (*Adjustments*), the following provisions shall apply:

- (a) the aggregate consideration receivable or price for Shares issued for cash shall be the amount of such cash;
- (b) (i) the aggregate consideration receivable or price for Shares to be issued or otherwise made available upon the conversion or exchange of any Securities shall be deemed to be the consideration or price received or receivable for any such Securities (whether on one or more occasions) and (ii) the aggregate consideration receivable or price for Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights shall be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights which are attributed by the Issuer to such rights of subscription or, as the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the relevant Ex-Date referred to in paragraph (d) of Clause 13.1 (*Adjustments*) or as at the relevant date of first public announcement referred to in paragraph (f), (g) or (h) of Clause 13.1 (*Adjustments*), as the case may be, plus in the case of each of (i) and (ii) above, the additional minimum consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights of subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights and (iii) the consideration receivable or price per Share upon the conversion or exchange of, or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights shall be the aggregate consideration or price referred to in (i) or (ii) above (as the case may be) divided by the number of Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate, all as determined in good faith by the Calculation Agent;

- (c) if the consideration or price determined pursuant to (a) or (b) above (or any component thereof) shall be expressed in a currency other than the Relevant Currency (other than in circumstances where such consideration is also expressed in the Relevant Currency, in which case such consideration shall be treated as expressed in the Relevant Currency in an amount equal to the amount of such consideration when so expressed in the Relevant Currency), it shall be converted by the Calculation Agent into the Relevant Currency at the Prevailing Rate on the relevant Ex-Date (for the purposes of paragraph (d) of Clause 13.1 (*Adjustments*)) or the relevant date of first public announcement (for the purpose of paragraph (f), (g) or (h) of Clause 13.1 (*Adjustments*), as the case may be);
- (d) in determining the consideration or price pursuant to the above, no deduction shall be made for any commissions or fees (howsoever described) or any expenses paid or incurred for any underwriting, placing or management of the issue of the relevant Shares or Securities or options, warrants or rights, or otherwise in connection therewith;
- (e) the consideration or price shall be determined as provided above on the basis of the consideration or price received, receivable, paid or payable, regardless of whether all or part thereof is received, receivable, paid or payable by or to the Issuer or another entity;
- (f) if as part of the same transaction, Shares shall be issued or issuable for a consideration receivable in more than one or in different currencies then the consideration receivable per Share shall be determined by dividing the aggregate consideration (determined as aforesaid and converted, if and to the extent not in the Relevant Currency, into the Relevant Currency as aforesaid) by the aggregate number of Shares so issued; and
- (g) references in these Bond Terms to “cash” includes any promise or undertaking to pay cash or any release or extinguishment of, or set-off against, a liability or obligation to pay a cash amount.

13.3 Retroactive Adjustments

- (a) If the Conversion Date in relation to any exercise of Conversion Rights in respect of any Bond shall be after the record date in respect of any consolidation, reclassification or sub-division as is mentioned in paragraph (a) of Clause 13.1 (*Adjustments*), or after the record date or other due date for the establishment of entitlement for any such issue, distribution, grant or offer (as the case may be) as is mentioned in paragraph (b), (c), (d), (e) or (i) of Clause 13.1 (*Adjustments*), or after the date of the first public announcement of the terms of any such issue or grant as is mentioned in paragraph (f) and (g) of Clause 13.1 (*Adjustments*) or of the terms of any such modification as is mentioned in paragraph (h) of Clause 13.1 (*Adjustments*), in any case where the relevant Conversion Date falls before the relevant adjustment to the Conversion Price becomes effective under Clause 13.1 (*Adjustments*) (such adjustment, a “**Retroactive Adjustment**”), then the Issuer shall procure that there shall be issued or transferred and delivered to the converting Bondholder, in accordance with the instructions contained in the Conversion Notice, such additional number of Shares (if any) (the “**Additional Shares**”) as, together with the Shares issued or transferred and delivered on the relevant exercise of Conversion Rights, (together with any fraction of a Share

not so issued or transferred and delivered), is equal to the number of Shares which would have been required to be issued or transferred and delivered in respect of such exercise of Conversion Rights if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to the relevant Conversion Date, all as determined by the Calculation Agent or an Independent Adviser, provided that if in the case of paragraph (b), (c), (d), (e) or (i) of Clause 13.1 (*Adjustments*) the relevant Bondholder shall be entitled to receive the relevant Shares, Dividends or Securities in respect of the Shares to be issued or transferred and delivered to it, then no such Retroactive Adjustment shall be made in relation to the relevant event and the relevant Bondholder shall not be entitled to receive Additional Shares in relation thereto.

“**Reference Date**” means, in relation to a Retroactive Adjustment, the date on which the relevant adjustment to the Conversion Price takes effect or, in any such case, if that is not a Dealing Day, the next following Dealing Day.

13.4 Decision and Determination of the Calculation Agent or an Independent Adviser

- (a) Adjustments to the Conversion Price shall be determined and calculated by the Calculation Agent upon request from the Issuer and/or, to the extent so specified in these Bond Terms and upon request from the Issuer, by an Independent Adviser.
- (b) Adjustments to the Conversion Price calculated by the Calculation Agent or, where applicable, an Independent Adviser and any other determinations made by the Calculation Agent or, where applicable, an Independent Adviser, or an opinion of an Independent Adviser, pursuant to these Bond Terms shall in each case be made in good faith and shall be final and binding (in the absence of manifest error) on the Issuer, the Bond Trustee, the Bondholders, the Calculation Agent (in the case of a determination by an Independent Adviser) and the Paying and Conversion Agent.
- (c) The Calculation Agent may consult, at the expense of the Issuer, on any matter (including, but not limited to, any legal matter), any legal or other professional adviser and it shall be able to rely upon, and it shall not be liable and shall incur no liability as against the Bond Trustee, the Bondholders or the Paying and Conversion Agent in respect of anything done, or omitted to be done, relating to that matter in good faith, in accordance with that adviser’s opinion.
- (d) The Calculation Agent shall act solely upon the request from, and exclusively as agent of, the Issuer and in accordance with these Bond Terms. Neither the Calculation Agent (acting in such capacity) nor any Independent Adviser appointed in connection with the Bonds (acting in such capacity) will thereby assume any obligations towards or relationship of agency or trust and shall not be liable and shall incur no liability in respect of anything done, or omitted to be done in good faith, in its capacity as Calculation Agent as against the Bond Trustee, the Bondholders or the Paying and Conversion Agent.

13.5 Share or option schemes, Dividend reinvestment plans

No adjustment shall be made to the Conversion Price where Shares or other Securities (including, but not limited to, rights, warrants and options) are issued, offered, exercised, allotted, purchased, appropriated, modified or granted (i) to, or for the benefit of, employees or former employees (including directors holding or formerly holding executive

office or non-executive office, consultants or former consultants, or the personal service company of any such person) or their spouses or relatives, in each case, of the Issuer or any of its Subsidiaries or any associated company or to a trustee or nominee to be held for the benefit of any such person, in any such case pursuant to any share or option or incentive scheme or (ii) pursuant to any dividend reinvestment plan or similar plan or scheme.

13.6 No adjustment in connection with the Schemes

No adjustment shall be made to the Conversion Price as a consequence of any event or circumstance expressly contemplated by any of the Schemes, including but not limited to any issuance of Shares, Securities or debt claims (whether for cash, consideration in kind or no consideration and regardless of whether their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, purchase of, or rights to otherwise acquire, Shares (or shall grant any such rights in respect of existing Securities so issued) or Securities which by their terms might be reclassified or redesignated as Shares) and any conversion of any of the foregoing into Shares or such Securities, in each case to the extent so contemplated.

13.7 Rounding down and notice of adjustment to the Conversion Price

- (a) On any adjustment, the resultant Conversion Price, if not an integral multiple of NOK 0.00001, shall be rounded down to the nearest whole multiple of NOK 0.00001. No adjustment shall be made to the Conversion Price where such adjustment (rounded down if applicable) would be less than 1 per cent. of the Conversion Price then in effect. Any adjustment not required to be made, and/or any amount by which the Conversion Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the basis that the adjustment not required to be made had been made at the relevant time and/or, as the case may be, that the relevant rounding down had not been made.
- (b) Notice of any adjustments to the Conversion Price shall be given by the Issuer to Bondholders and to the Bond Trustee promptly after the determination thereof.
- (c) The Conversion Price shall not in any event be reduced to below the Par Value of the Shares and the Issuer undertakes that it shall not take any action, and shall ensure that no action is taken, that would otherwise result in an adjustment to the Conversion Price to below such Par Value.

14. MERGER

14.1 Conversion Rights under Mergers

In the case of any consolidation, amalgamation or merger of the Issuer with any other corporation (other than a consolidation, amalgamation or merger in which the Issuer is the continuing corporation), the Issuer shall take such steps as shall be necessary (including the execution of an agreement supplemental to or amending the Bond Terms) to ensure that each Bond then outstanding will (during the period in which Conversion Rights may be exercised) be converted into the class and amount of shares and other securities and property receivable upon such consolidation, amalgamation or merger by a holder of the number of Shares which would have been issuable upon exercise of Conversion Rights immediately prior to such consolidation, amalgamation or merger. Such supplemental agreement shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments

provided for in Clause 13 (*Adjustment of the Conversion Price*). The above shall apply, *mutatis mutandis* to any subsequent consolidations, amalgamations or mergers.

14.2 Right to object

The provisions in this Clause 14 have no limitation on the creditor's right of objection to the merger or de-merger.

15. INFORMATION UNDERTAKINGS

15.1 Financial Reports

- (a) The Issuer shall prepare Annual Financial Statements in the English language and make them available on its website (alternatively on another relevant information platform) as soon as they become available, and not later than four months after the end of the financial year.
- (b) The Issuer shall prepare Interim Accounts in the English language and make them available on its website (alternatively on another relevant information platform) as soon as they become available, and not later than two months after the end of the relevant interim period.

15.2 Requirements as to Financial Reports

The Issuer shall procure that the Financial Reports delivered pursuant to Clause 15.1 (*Financial Reports*) are prepared using the Accounting Standard consistently applied.

15.3 Listing Failure Event

- (b) In the case of a demand issued pursuant to paragraph (a)(i) above, the Acceleration Event shall however be deemed not to have occurred (and any Acceleration Notice made with reference to such Acceleration Event shall be deemed invalid and any steps

- (b) The Bondholders' Meeting cannot resolve that any overdue payment of any instalment shall be reduced unless there is a pro rata reduction of principal that has not fallen due, but may resolve that accrued interest (whether overdue or not) shall be reduced without a corresponding reduction of principal.
- (c) The Bondholders' Meeting may not adopt resolutions which would give certain Bondholders an unreasonable advantage at the expense of other Bondholders.
- (d) Subject to the power of the Bond Trustee to take certain action as set out in Clause 19.1 (*Power to represent the Bondholders*), if a resolution by, or an approval of, the Bondholders is required, such resolution may be passed at a Bondholders' Meeting. Resolutions passed at any Bondholders' Meeting will be binding upon all Bondholders.
- (e) At least 50 per cent. of the Voting Bonds must be represented at a Bondholders' Meeting for a quorum to be present.
- (f) Resolutions shall be passed by simple majority of the Voting Bonds represented at the Bondholders' Meeting, unless otherwise set out in paragraph (g) below.
- (g) Save for any amendments or waivers which can be made without resolution pursuant to subparagraphs (i) and (ii) of paragraph (a) of Clause 20.1 (*Procedure for*

amendments and waivers), a majority of at least 2/3 of the Voting Bonds represented at the Bondholders' Meeting is required for approval of any waiver or amendment of these Bond Terms.

18.2 Procedure for arranging a Bondholders' Meeting

- (a) A Bondholders' Meeting shall be convened by the Bond Trustee upon the request in writing of:
 - (i) the Issuer;
 - (ii) Bondholders representing at least 1/10 of the Voting Bonds;
 - (iii) the Exchange, if the Bonds are listed and the Exchange is entitled to do so pursuant to the general rules and regulations of the Exchange; or
 - (iv) the Bond Trustee.

The request shall clearly state the matters to be discussed and resolved.

- (b) If the Bond Trustee has not convened a Bondholders' Meeting within 10 Business Days of having received a valid request for calling a Bondholders' Meeting pursuant to paragraph (a) above, then the requesting party may call the Bondholders' Meeting itself.
- (c) Summons to a Bondholders' Meeting must be sent no later than 10 Business Days prior to the proposed date of the Bondholders' Meeting. The Summons shall be sent to all Bondholders registered in the CSD at the time the Summons is sent from the CSD. If the Bonds are listed, the Issuer shall ensure that the Summons is published in accordance with the applicable regulations of the Exchange. The Summons shall also be published on the website of the Bond Trustee (alternatively by press release or other relevant information platform).
- (d) Any Summons for a Bondholders' Meeting must clearly state the agenda for the Bondholders' Meeting and the matters to be resolved. The Bond Trustee may include additional agenda items to those requested by the person calling for the Bondholders' Meeting in the Summons. If the Summons contains proposed amendments to these Bond Terms, a description of the proposed amendments must be set out in the Summons.
- (e) Items which have not been included in the Summons may not be put to a vote at the Bondholders' Meeting.
- (f) By written notice to the Issuer, the Bond Trustee may prohibit the Issuer from acquiring or disposing of Bonds during the period from the date of the Summons until the date of the Bondholders' Meeting, unless the acquisition of Bonds is made by the Issuer pursuant to Clause 10 (*Redemption and Repurchase of Bonds*).
- (g) A Bondholders' Meeting may be held on premises selected by the Bond Trustee, or if paragraph (b) above applies, by the person convening the Bondholders' Meeting (however to be held in the capital of the Relevant Jurisdiction). The Bondholders' Meeting will be opened and, unless otherwise decided by the Bondholders' Meeting,

chaired by the Bond Trustee. If the Bond Trustee is not present, the Bondholders' Meeting will be opened by a Bondholder and be chaired by a representative elected by the Bondholders' Meeting (the Bond Trustee or such other representative, the "Chairperson").

- (h) Each Bondholder, the Bond Trustee and, if the Bonds are listed, representatives of the Exchange, or any person or persons acting under a power of attorney for a Bondholder, shall have the right to attend the Bondholders' Meeting (each a "Representative"). The Chairperson may grant access to the meeting to other persons not being Representatives, unless the Bondholders' Meeting decides otherwise. In addition, each Representative has the right to be accompanied by an advisor. In case of dispute or doubt with regard to whether a person is a Representative or entitled to vote, the Chairperson will decide who may attend the Bondholders' Meeting and exercise voting rights.
- (i) Representatives of the Issuer have the right to attend the Bondholders' Meeting. The Bondholders Meeting may resolve to exclude the Issuer's representatives and/or any person holding only Issuer's Bonds (or any representative of such person) from participating in the meeting at certain times, however, the Issuer's representative and any such other person shall have the right to be present during the voting.
- (j) Minutes of the Bondholders' Meeting must be recorded by, or by someone acting at the instruction of, the Chairperson. The minutes must state the number of Voting Bonds represented at the Bondholders' Meeting, the resolutions passed at the meeting, and the results of the vote on the matters to be decided at the Bondholders' Meeting. The minutes shall be signed by the Chairperson and at least one other person. The minutes shall be deposited with the Bond Trustee who shall make available a copy to the Bondholders and the Issuer upon request.
- (k) The Bond Trustee shall ensure that the Issuer, the Bondholders and the Exchange are notified of resolutions passed at the Bondholders' Meeting and that the resolutions are published on the website of the Bond Trustee (or other relevant electronically platform or press release).
- (l) The Issuer shall bear the costs and expenses incurred in connection with convening a Bondholders' Meeting regardless of who has convened the Bondholders' Meeting, including any reasonable costs and fees incurred by the Bond Trustee.

18.3 Voting rules

- (a) Each Bondholder (or person acting for a Bondholder under a power of attorney) may cast one vote for each Voting Bond owned on the Relevant Record Date, ref. Clause 3.3 (*Bondholders' rights*). The Chairperson may, in its sole discretion, decide on accepted evidence of ownership of Voting Bonds.
- (b) Issuer's Bonds shall not carry any voting rights. The Chairperson shall determine any question concerning whether any Bonds will be considered Issuer's Bonds.
- (c) For the purposes of this Clause 18 (*Bondholders' decisions*), a Bondholder that has a Bond registered in the name of a nominee shall, in accordance with Clause 3.3 (*Bondholders' rights*), be deemed to be the owner of the Bond rather than the

nominee. No vote may be cast by any nominee if the Bondholder has presented relevant evidence to the Bond Trustee pursuant to Clause 3.3 (*Bondholders' rights*) stating that it is the owner of the Bonds voted for. If the Bondholder has voted directly for any of its nominee registered Bonds, the Bondholder's votes shall take precedence over votes submitted by the nominee for the same Bonds.

- (d) Any of the Issuer, the Bond Trustee and any Bondholder has the right to demand a vote by ballot. In case of parity of votes, the Chairperson shall have the deciding vote.

18.4 Repeated Bondholders' Meeting

- (a) Even if the necessary quorum set out in paragraph (e) of Clause 18.1 (*Authority of the Bondholders' Meeting*) is not achieved, the Bondholders' Meeting shall be held and voting completed for the purpose of recording the voting results in the minutes of the Bondholders' Meeting. The Bond Trustee or the person who convened the initial Bondholders' Meeting may, within 10 Business Days of that Bondholders' Meeting, convene a repeated meeting with the same agenda as the first meeting.
- (b) The provisions and procedures regarding Bondholders' Meetings as set out in Clause 18.1 (*Authority of the Bondholders' Meeting*), Clause 18.2 (*Procedure for arranging a Bondholders' Meeting*) and Clause 18.3 (*Voting rules*) shall apply *mutatis mutandis* to a repeated Bondholders' Meeting, with the exception that the quorum requirements set out in paragraph (e) of Clause 18.1 (*Authority of the Bondholders' Meeting*) shall not apply to a repeated Bondholders' Meeting. A Summons for a repeated Bondholders' Meeting shall also contain the voting results obtained in the initial Bondholders' Meeting.
- (c) A repeated Bondholders' Meeting may only be convened once for each original Bondholders' Meeting. A repeated Bondholders' Meeting may be convened pursuant to the procedures of a Written Resolution in accordance with Clause 18.5 (*Written Resolutions*), even if the initial meeting was held pursuant to the procedures of a Bondholders' Meeting in accordance with Clause 18.2 (*Procedure for arranging a Bondholders' Meeting*) and vice versa.

18.5 Written Resolutions

- (a) Subject to these Bond Terms, anything which may be resolved by the Bondholders in a Bondholders' Meeting pursuant to Clause 18.1 (*Authority of the Bondholders' Meeting*) may also be resolved by way of a Written Resolution. A Written Resolution passed with the relevant majority is as valid as if it had been passed by the Bondholders in a Bondholders' Meeting, and any reference in any Finance Document to a Bondholders' Meeting shall be construed accordingly.
- (b) The person requesting a Bondholders' Meeting may instead request that the relevant matters are to be resolved by Written Resolution only, unless the Bond Trustee decides otherwise.
- (c) The Summons for the Written Resolution shall be sent to the Bondholders registered in the CSD at the time the Summons is sent from the CSD and published at the Bond Trustee's web site, or other relevant electronic platform or via press release.

- (d) The provisions set out in Clause 18.1 (*Authority of the Bondholders' Meeting*), 18.2 (*Procedure for arranging a Bondholders' Meeting*), Clause 18.3 (*Voting Rules*) and Clause 18.4 (*Repeated Bondholders' Meeting*) shall apply *mutatis mutandis* to a Written Resolution, except that:
 - (i) the provisions set out in paragraphs (g), (h) and (i) of Clause 18.2 (*Procedure for arranging Bondholders Meetings*); or
 - (ii) provisions which are otherwise in conflict with the requirements of this Clause 18.5 (*Written Resolution*),
 shall not apply to a Written Resolution.
- (e) The Summons for a Written Resolution shall include:
 - (i) instructions as to how to vote to each separate item in the Summons (including instructions as to how voting can be done electronically if relevant); and
 - (ii) the time limit within which the Bond Trustee must have received all votes necessary in order for the Written Resolution to be passed with the requisite majority (the “**Voting Period**”), which shall be at least 10 Business Days but not more than 15 Business Days from the date of the Summons.
- (f) Only Bondholders of Voting Bonds registered with the CSD on the Relevant Record Date, or the beneficial owner thereof having presented relevant evidence to the Bond Trustee pursuant to Clause 3.3 (*Bondholders' rights*), shall be counted in the Written Resolution.
- (g) A Written Resolution is passed when the requisite majority set out in paragraph (e) or paragraph (f) of Clause 18.1 (*Authority of Bondholders' Meeting*) has been obtained, based on a quorum of the total number of Voting Bonds, even if the Voting Period has not yet expired. A Written Resolution shall also be resolved if the sufficient numbers of negative votes are received prior to the expiry of the Voting Period.
- (h) The effective date of a Written Resolution passed prior to the expiry of the Voting Period is the date when the resolution is approved by the last Bondholder that results in the necessary voting majority being obtained.
- (i) If no resolution is passed prior to the expiry of the Voting Period, the number of votes shall be calculated at the close of business on the last day of the Voting Period, and a decision shall be made based on the quorum and majority requirements set out in paragraphs (e) to (g) of Clause 18.1 (*Authority of Bondholders' Meeting*).

19. THE BOND TRUSTEE

19.1 Power to represent the Bondholders

- (a) The Bond Trustee has power and authority to act on behalf of, and/or represent, the Bondholders in all matters, including but not limited to taking any legal or other action, including enforcement of these Bond Terms, and the commencement of bankruptcy or other insolvency proceedings against the Issuer, or others.

- (b) The Issuer shall promptly upon request provide the Bond Trustee with any such documents, information and other assistance (in form and substance satisfactory to the Bond Trustee), that the Bond Trustee deems necessary for the purpose of exercising its and the Bondholders' rights and/or carrying out its duties under the Finance Documents.

19.2 The duties and authority of the Bond Trustee

- (a) The Bond Trustee shall represent the Bondholders in accordance with the Finance Documents, including, *inter alia*, by following up on the delivery of such documents which the Issuer is obliged to disclose or deliver to the Bond Trustee pursuant to the Finance Documents and, when relevant, in relation to accelerating and enforcing the Bonds on behalf of the Bondholders.
- (b) The Bond Trustee is not obligated to assess or monitor the financial condition of the Issuer unless to the extent expressly set out in these Bond Terms, or to take any steps to ascertain whether any Acceleration Event or event of default has occurred. Until it has actual knowledge to the contrary, the Bond Trustee is entitled to assume that no Acceleration Event or event of default has occurred. The Bond Trustee is not responsible for the valid execution or enforceability of the Finance Documents, or for any discrepancy between the indicative terms and conditions described in any marketing material presented to the Bondholders prior to issuance of the Bonds and the provisions of these Bond Terms.
- (c) The Bond Trustee is entitled to take such steps that it, in its sole discretion, considers necessary or advisable to protect the rights of the Bondholders in all matters pursuant to the terms of the Finance Documents. The Bond Trustee may submit any instructions received by it from the Bondholders to a Bondholders' Meeting before the Bond Trustee takes any action pursuant to the instruction.
- (d) The Bond Trustee is entitled to engage external experts when carrying out its duties under the Finance Documents.
- (e) The Bond Trustee shall hold all amounts recovered on behalf of the Bondholders on separate accounts.
- (f) The Bond Trustee shall ensure that resolutions passed at the Bondholders' Meeting are properly implemented, provided, however, that the Bond Trustee may refuse to implement resolutions that may be in conflict with these Bond Terms, any other Finance Document, or any applicable law.
- (g) Notwithstanding any other provision of the Finance Documents to the contrary, the Bond Trustee is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- (h) If any cost, loss or liability which the Bond Trustee may incur (including reasonable fees payable to the Bond Trustee itself) in:
 - (i) complying with instructions of the Bondholders; or
 - (ii) taking any action at its own initiative,

will not, in the reasonable opinion of the Bond Trustee, be covered by the Issuer or the relevant Bondholders pursuant to paragraphs (e) and (g) of Clause 19.4 (*Expenses, liability and indemnity*), the Bond Trustee may refrain from acting in accordance with such instructions, or refrain from taking such action, until it has received such funding or indemnities (or adequate security has been provided in respect thereof) as it may reasonably require.

- (i) The Bond Trustee shall give a notice to the Bondholders before it ceases to perform its obligations under the Finance Documents by reason of the non-payment by the Issuer of any fee or indemnity due to the Bond Trustee under the Finance Documents.
- (j) The Bond Trustee may instruct the CSD to split the Bonds to a lower nominal value in order to facilitate or partial redemptions, write-downs or restructurings of the Bonds or in other situations where such split is deemed necessary.

19.3 Equality and conflicts of interest

- (a) The Bond Trustee shall not make decisions which would give certain Bondholders an unreasonable advantage at the expense of other Bondholders. The Bond Trustee shall, when acting pursuant to the Finance Documents, act with regard only to the interests of the Bondholders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Finance Documents.
- (b) The Bond Trustee may act as agent, trustee, representative and/or security agent for several bond issues relating to the Issuer notwithstanding potential conflicts of interest. The Bond Trustee is entitled to delegate its duties to other professional parties.

19.4 Expenses, liability and indemnity

- (a) The Bond Trustee shall not be liable to the Bondholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct. The Bond Trustee shall not be responsible for any indirect or consequential loss. Irrespective of the foregoing, the Bond Trustee shall have no liability to the Bondholders for damage caused by the Bond Trustee acting in accordance with instructions given by the Bondholders in accordance with these Bond Terms.
- (b) The Bond Trustee shall not be liable to the Issuer for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless caused by its gross negligence or wilful misconduct. The Bond Trustee shall not be responsible for any indirect or consequential loss.
- (c) Any liability for the Bond Trustee for damage or loss is limited to the amount of the Outstanding Bonds. The Bond Trustee is not liable for the content of information provided to the Bondholders by or on behalf of the Issuer or any other person.
- (d) The Bond Trustee shall not be considered to have acted negligently in:
 - (i) acting in accordance with advice from or opinions of reputable external experts;
or

- (ii) taking, delaying or omitting any action if acting with reasonable care and provided the Bond Trustee considers that such action is in the interests of the Bondholders.
- (e) The Issuer is liable for, and shall indemnify the Bond Trustee fully in respect of, all losses, expenses and liabilities incurred by the Bond Trustee as a result of negligence by the Issuer (including its directors, management, officers, employees and agents) in connection with the performance of the Bond Trustee's obligations under the Finance Documents, including losses incurred by the Bond Trustee as a result of the Bond Trustee's actions based on misrepresentations made by the Issuer in connection with the issuance of the Bonds, the entering into or performance under the Finance Documents, and for as long as any amounts are outstanding under or pursuant to the Finance Documents.
- (f) The Issuer shall cover all costs and expenses incurred by the Bond Trustee in connection with it fulfilling its obligations under the Finance Documents. The Bond Trustee is entitled to fees for its work and to be indemnified for costs, losses and liabilities on the terms set out in the Finance Documents. The Bond Trustee's obligations under the Finance Documents are conditioned upon the due payment of such fees and indemnifications. The fees of the Bond Trustee shall be further set out in the Bond Trustee Fee Agreement.
- (g) The Issuer shall on demand by the Bond Trustee pay all costs incurred for external experts engaged for the purpose of investigating or considering a matter relating to the Issuer or any of the Finance Documents which the Bond Trustee reasonably believes may constitute or lead to a breach of any of the Finance Documents or otherwise be detrimental to the interests of the Bondholders under the Finance Documents.
- (h) Fees, costs and expenses payable to the Bond Trustee which are not reimbursed in any other way due to the Issuer being Insolvent or similar circumstances pertaining to the Issuer, may be covered by making an equal reduction in the proceeds to the Bondholders hereunder of any costs and expenses incurred by the Bond Trustee in connection therewith. The Bond Trustee may withhold funds from any escrow account (or similar arrangement) or from other funds received from the Issuer or any other person, and to set-off and cover any such costs and expenses from those funds.
- (i) As a condition to effecting any instruction from the Bondholders (including, but not limited to, instructions set out in Clause 17.3 (*Bondholders' instructions*) or Clause 18.2 (*Procedure for arranging a Bondholders' Meeting*)), the Bond Trustee may require satisfactory security, guarantees and/or indemnities for any possible liability and anticipated costs and expenses from those Bondholders who have given that instruction and/or who voted in favour of the decision to instruct the Bond Trustee.

19.5 Replacement of the Bond Trustee

- (a) The Bond Trustee may be replaced by a majority of 2/3 of Voting Bonds in accordance with the procedures set out in Clause 18 (*Bondholders' Decisions*), and the Bondholders may resolve to replace the Bond Trustee without the Issuer's approval.

- (b) The Bond Trustee may resign by giving notice to the Issuer and the Bondholders, in which case a successor Bond Trustee shall be elected pursuant to this Clause 19.5 (*Replacement of the Bond Trustee*), initiated by the retiring Bond Trustee.
- (c) If the Bond Trustee is Insolvent, or otherwise is permanently unable to fulfil its obligations under these Bond Terms, the Bond Trustee shall be deemed to have resigned and a successor Bond Trustee shall be appointed in accordance with this Clause 19.5 (*Replacement of the Bond Trustee*). The Issuer may appoint a temporary Bond Trustee until a new Bond Trustee is elected in accordance with paragraph (a) above.
- (d) The change of Bond Trustee shall only take effect upon execution of all necessary actions to effectively substitute the retiring Bond Trustee, and the retiring Bond Trustee undertakes to co-operate in all reasonable manners without delay to such effect. The retiring Bond Trustee shall be discharged from any further obligation in respect of the Finance Documents from the change takes effect, but shall remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Bond Trustee. The retiring Bond Trustee remains entitled to any benefits and any unpaid fees or expenses under the Finance Documents before the change has taken place.
- (e) Upon change of Bond Trustee the Issuer shall co-operate in all reasonable manners without delay to replace the retiring Bond Trustee with the successor Bond Trustee and release the retiring Bond Trustee from any future obligations under the Finance Documents and any other documents.

20. AMENDMENTS AND WAIVERS

20.1 Procedure for amendments and waivers

- (a) The Issuer and the Bond Trustee (acting on behalf of the Bondholders) may agree to amend the Finance Documents or waive a past default or anticipated failure to comply with any provision in a Finance Document, provided that such amendment or waiver:
 - (i) is not detrimental to the rights and benefits of the Bondholders in any material respect, or is made solely for the purpose of rectifying obvious errors and mistakes;
 - (ii) is required by applicable law, a court ruling or a decision by a relevant authority;
or
 - (iii) has been duly approved by the Bondholders in accordance with Clause 18 (*Bondholders' Decisions*).

20.2 Authority with respect to documentation

If the Bondholders have resolved the substance of an amendment to any Finance Document, without resolving on the specific or final form of such amendment, the Bond Trustee shall be considered authorised to draft, approve and/or finalise (as applicable) any required documentation or any outstanding matters in such documentation without any further approvals or involvement from the Bondholders being required.

20.3 Notification of amendments or waivers

- (a) The Bond Trustee shall as soon as possible notify the Bondholders of any amendments or waivers made in accordance with this Clause 20 (*Amendments and waivers*), setting out the date from which the amendment or waiver will be effective, unless such notice according to the Bond Trustee's sole discretion is unnecessary. The Issuer shall ensure that any amendment to these Bond Terms is duly registered with the CSD.
- (b) Prior to agreeing to an amendment or granting a waiver in accordance with Clause 20.1 (*Procedure for amendments and waivers*), the Bond Trustee may inform the Bondholders of such waiver or amendment at a relevant information platform.

- (c) Unless otherwise specifically provided, all notices or other communications under or in connection with these Bond Terms between the Bond Trustee and the Issuer will be

given or made in writing, by letter, e-mail or fax. Any such notice or communication will be deemed to be given or made as follows:

- (i) if by letter, when delivered at the address of the relevant party;
